where?

AT THE ICE BOX

one block north of the Devaney Center
in State Fair Park

what do I need?

Single blade figure skates with toe picks, or single blade hockey skates. Rental skates are available for \$2 per class, but are not recommended for use beyond Basic Skills Level 1 because of blade quality and fit.

when? how?

Classes are on Saturday mornings. On the first day of a session, you'll be put in a group based on your skill level. You'll advance from there as you learn at your own pace. Adults have their own groups. In addition to the 30-minute lesson, you also get 30 minutes of practice time before your lesson. Classes are at 8:50, 9:20 and 9:50 a.m. Your class time will depend on your skill level. All sessions are seven weeks. Private lessons are also available.

Visit www.starcityfsc.org for more details.
