

LEARN TO SKATE!

2011 - 2012 class registration

group lessons in six-week sessions for everyone ages 4 to adult, hosted by the Star City Figure Skating Club, a non-profit organization affiliated with the U.S. Figure Skating Association

schedule

- session 1: saturdays starting **October 1**
- session 2: saturdays starting **November 12**
- session 3: saturdays starting **January 7**
- session 4: saturdays starting **February 25**

Dates may be subject to change. If the club cancels a class, \$15 will be applied to your next session registration or you may attend the first lesson of the next session.

location

The Ice Box, home of the Lincoln Stars hockey team
one block north of the Devaney Sports Center on the UNL Innovation Campus
new this year: UNL is requiring purchase of a \$12 parking pass to park at the Ice Box

what you need

Single blade figure skates with toe picks, or single blade hockey skates. Rental skates are available for \$2 per class. However, we don't recommend them for use beyond Basic Skills Level 1 because of blade quality and fit. Dress warmly. Bring gloves or mittens.

details

On the first day of a session, you'll be placed in a group based on your skill level. You advance from there as you learn at your own pace. Adults have their own groups. In addition to a 30-minute class, you also get 30 minutes of practice time. Classes are at 8:50, 9:20 and 9:50 a.m. Our learn-to-skate coordinator will let you know if your practice time is before or after your class time.

more information is at www.starcityfsc.org

or you can call **the Ice Line, 402-441-0318.**

Please circle the sessions you're registering for: **1** **2** **3** **4**

skater's name

birthdate (month/day/year)

m f

postal address

city/ZIP
